Forecast for Tuesday 04 Jan 2022

Weather: Cloudy with outbreaks of rain and snow overnight, clearing by dawn. Best of the brightness during the morning with only scattered or isolated snow showers, these becoming more widespread and occasionally heavy in the afternoon and evening. Cold northwest winds with a significant wind chill.

Chance of cloud free mountain/hill tops above 600m: 80%

Visibility: Very good or excellent falling poor or very poor in any snow showers. Scattered cloud around the summits becoming extensive, base around 600m, in any snow showers.
